

RECYCLING AT WESTERN

SPECIALIZED RECYCLING

HAZARDOUS MATERIAL

For all matters relating to hazardous or potentially hazardous materials, contact Occupational Health & Safety at ext. 82194, Support Services Building 5100.

INK CARTRIDGES/TONER

Leave your ink cartridges and toner at the provided bins on every floor in most buildings. A pick-up service is provided by Facilities Management for these materials.

ORGANICS

Currently only available in some units on campus, office composting is a self-service program, with equipment supplied by Facilities Management. Call the Service Centre at ext. 83304 to request a compost bin.

BATTERIES

Leave your batteries in the Battery Recycling bin located on every floor in most buildings. Facilities Management operates a battery recovery program, providing a pick-up service for them. For assistance, call ext. 88122.

FURNITURE/EQUIPMENT

Procurement Services provides an online service for asset disposal, including furnishings: uwo.ca/finance/forms/index.html. Bid forms are available online or from Procurement Services, Support Services Building, Suite 6100.

CARDBOARD

Crush cardboard flat and tuck it beside garbage bins. Caretaking Services will collect it on their scheduled route.

eWASTE

Electronic waste items, such as computers and monitors, are recovered by Facilities Management. Small units can be left beside battery recycling bins or on building loading docks. If you are disposing of higher volumes, contact the Service Centre at ext. 83304 to request the delivery of a collection bin. For best practice info, refer to security.uwo.ca
